Your in luck with the perfect private getaway.

Wind down at the end of a busy day with The Lucky Bay.

It's big on living and light. The living and dining areas move through to the alfresco to create a massive inside/outside hub of the house. Of course, at the heart is the kitchen already big enough to feed the troops.

Kids will love the three big double bedrooms, centred around their own private activity. While you'll have your own luxurious master suite with his and hers walk-in robes.

It's our home too.
